

CITY OF  
**SHELBY**

---

OFFICE OF CITY CLERK  
SHELBY, IOWA 51570 • 712-544-2404

February 1, 2015

Over the past week, the City of Shelby and the Shelby Fire Department have seen a lot of positive changes.

The City of Shelby and the Shelby Fire Department have come to an agreement for the Fire Department to transfer its separate account to the City Clerk so that it may be accounted for in conformance with Iowa law and City Code.

The support for the City and Fire Department over the past week have been amazing.

17 citizens have applied to join the Shelby Fire Department, with another 10 likely to apply by the end of this week.

The City Council is also pleased to announce that it has reinstated 4 of the former members whose membership was revoked on January 27, 2015. These members include Mary Yates, Brian Golden, Eric Wendt, and Todd Osterhout.

In one week, the City went from 5 active members to its highest level in years.

This matter consumed too much of our time the past few years and we are moving ahead together. All indications are that the future is very positive and we look forward to rebuilding our fire and rescue services.

Bob Richmond, Mayor Pro-tem

Eric Wendt, Asst. Fire Chief
